

# Wendy's Corner

March 28<sup>th</sup>, 2021

**Easter Day Lunch** - You will find a flier for The Easter Meal included in the Weekly. If you would like to have the meal delivered to you, please call the front desk so we can get you signed up. The deadline for signing up will be Friday, April 2<sup>nd</sup>.

**Sloper Café News** - We will be starting a new soup schedule as we are throwing away/wasting too much soup. We will do fresh homemade soups on Monday, Wednesday, Friday. Some of those will be available the next day as well. It will depend on the type of soup it is. Also.... We will open the Café doors 15 minutes before the meal starts. If the doors to the Café are closed, please do not open them to come in. Staff will open them when it is time. Thank you for your cooperation.

**Tax Help for Seniors** - If you need help with your taxes there is a number that you can call. 1-800-906-9887

**Turning in Forms** - We have sent out a number of forms this last year to be filled out for certain things. Each one has a purpose and some of them have now been included in the move in pack to be filled out before moving in. We know that they are a pain but we really need them. For example, we need a release form filled out stating your wishes on being in the resident phone book. We also need to know your wishes on being included in our newsletter, birthday lists facebook page etc. So I know they are a pain but we really need them filled out and brought back. We will even come pick them up from you if you call and let us know that they are ready. Thank you in advance. 😊

**Wine Social** - We will be having a Wine social on 4/2 which happens to be Good Friday. This is for all of the houses and cottages. Please call and RSVP/Sign up if you would like me to bring you some wine. I loved seeing last time that you were joining each other in your homes. It's been a long lonely year and it's refreshing to see you enjoying each other's company again.

*Thought for the Day – When you talk, you are only repeating what you already know. But, if you listen, you may learn something new.*
